

## Our Mission

Mid-City Pediatrics, Inc. was created to provide quality pediatric care and patient satisfaction in a changing healthcare environment. To that end, all aspects of our office will be dedicated to high standards of medical care, efficiency and self-improvement. We will be of service to our community to the best of our abilities and will strive to be positive role models for our youth.

## Our Values

- Intense focus on the customer.
- Excellence in everything we do.
- Diversity in our workforce and patients.
- Integrity, trust, and open communication.
- Continuous quality improvement.

## Our Purpose

Parenting is an important and often difficult job. To help children become healthy and responsible young adults, we need trust and communication from children, parents, and caregivers. We have a common purpose: the best possible outcome for our children.

We are available to give medical advice  
**24 hours a day, 7 days a week,**  
 even when the office is closed.  
 We want you to call us, especially if your  
 child is sick or if you need to take your  
 child to the emergency room.

## What Is a Patient– Centered Medical Home?

As a **Medical Home** we help patients understand the importance of having comprehensive information about all their healthcare activities and how and where to access the care they need, coordinated by their personal clinician and care team.

### OUR RESPONSIBILITIES AS A MEDICAL HOME

- Provide you with our office hours, locations, and information
- Practice evidence-based care
- Offer same-day sick visits
- Make our office policies available to you
- Provide you with after-hours access to the pediatricians or nurses of the practice
- Inquire about and accommodate special needs
- Give you the information to keep your children healthy and well

### PATIENT AND FAMILY RESPONSIBILITIES IN THE MEDICAL HOME

- Provide previous records and immunizations.
- Schedule recommended well visits
- Let us know if you have extra concerns or sensitive issues before the visit
- Write down and bring your main questions and concerns; reports; and forms.
- Provide updates on medications, medical history, health status, recent tests, and any visits to other facilities outside of Mid-City Pediatrics, Inc.
- Arrive 15 minutes before your child's appointment to complete any paperwork needed for the visit
- Cancel appointments in a timely manner when needed
- Access and share feedback on educational and community resources

### ACCESS AND COMMUNICATION

Our practice would like to be available when you need us. Please let us know about any special communication or access needs that you or your children have.

We provide access to interpreters for most foreign languages and for sign language, even after-hours.

We have policies and procedures with your needs in mind. These are a few examples:

- When you call for an appointment you will be seen within 24 hours for urgent illnesses, and usually the *same day*.
- When your child has tests or procedures done, you will get results by phone or through the patient portal, even if the results are normal.
- If you are referred to a specialist, we will share information with them and with you in a timely manner
- When leaving a message, we will contact you within one hour for ill calls, or by the end of the business day for routine calls.
- We will refill medicines by the end of the day, except for ADHD medication refills, which can take up to 7 days.
- School forms, FMLA forms, and special letters will be done within 7 days.
- Emergency calls after office hours will be answered by one of our doctors or nurse practitioners within 30 minutes (let the answering service know if it is an emergency call, then the call is answered as soon as possible).
- After your child is in the hospital or emergency room, we will help coordinate follow-up care.
